Tech Educator – Full-Time (CDD)

Be a Part of Luxembourg's Digital Future!
The Luxembourg Tech School (LTS) is an educational concept preparing the next generation of digital leaders. Established in 2016, LTS is a non-profit organization deeply integrated into the national education system. We offer innovative, project-based learning experiences in areas like Creative Coding, Game Development, AI, FinTech, Space Resources & Robotics, and more. For additional details, visit www.techschool.lu.

This position is offered on a one-year fixed-term contract (CDD), with the possibility of renewal.

Your Role:
We are looking for a dynamic and passionate **Tech Educator** to inspire and educate high-school students (ages 12-19) across Luxembourg. You will assist in creating and delivering tech-related courses as well as supporting our Creative Coding for All (CC4All) project (https://www.techschool.lu/projects/creative-coding-for-all.html)

Your Responsibilities:
- Teach LTS courses.
- Participate in workshops and events.
- Create educational materials.
- Contribute your area of expertise and interest and work on LTS projects.
- Support and mentor students through their projects and during LTS events.
- Manage projects and processes
- Advocate for the LTS philosophy and activities.

Your Qualifications
- Proficiency and interest in computer science, electronics, coding and tech-related education.
- A strong can-do approach and motivation to work in a small team, in a dynamic and agile environment.
- Considered assets are: Background in Education, Psychology or Cognitive Science, experience and interest in special needs education.
- Fluency in German (C1). Strong proficiency in English. Knowledge of Luxemburgish and French are considered assets.
- Driver license (Permis B) and a car
- Nationality of an EU/EFTA country.

What We Offer:
At LTS, you will contribute to a meaningful mission while enhancing your professional skills and network. We provide:
- A structured program with comprehensive teaching platforms and coaching materials.
- Opportunities to participate in research and development projects.
- A flexible working environment, including the option to work in our LTS Lab at the House of Startups in Luxembourg City.

How to Apply:
Please submit your short motivation letter (briefly explain your motivation to join LTS and why you believe your profile is suitable), CV and an extract of your criminal record (General & Bulletin 5) to contact@techschool.lu.

Deadline: 20 December 2026
